INTELLIGENCE ADVISORY COMMITTEE

NATIONAL INTELLIGENCE OBJECTIVES
(NSCID-4, DCID-4/1, DCID-4/2)

1. At its meeting of 4 August 1953 (IAC-M-115, paragraphs 7-8), the IAC charged the Board of National Estimates with reviewing DCID-4/1 (Second Revision, see IAC-D-50/2, 5 August 1953) and DCID-4/1 in the light of NSCID-4. The Board was to draft its proposals in consultation with the IAC agencies and with the IPC and thereafter submit them to the IAC.

2. The Board's proposals are attached (Tab A). Such consultation as the Board has had with the Agencies and with the IPC has developed that some agencies have reservations concerning the proposals. In order to complete staff, action prior to IAC consideration, the DCI has appointed Mr. Richard Bissell, his Special Assistant for Planning and Coordination to work with the agencies and the IPC to insure that all views are either accommodated or stated for IAC action. Accordingly, it would be appreciated if each IAC member would notify the undersigned as to a representative with whom Mr. Bissell or his designee may work.
